

DAINEL VERA

SOFTWARE ENGINEER BY DAY,
WHATEVER I WANT
BY NIGHT.

hello@dainelvera.com | 786.367.8169 | Miami, Florida
twitter.com/arubinofaux | github.com/arubinofaux

ABOUT ME

I primarily work with web applications based on Ruby on Rails, PHP or Node.js. Over the past 9 years I have been involved in many software projects in the field of finance, blockchain technology, business and startups, always working on both the back-end and the front-end. I consider myself to be a person with a hunger for knowledge and I am always looking for new ideas to improve myself and my skill set.

MY SKILLS

Frontend: HTML, CSS, Javascript

Backend: Ruby, PHP, Node

Dev-Ops: Nginx, MySql, PostgreSQL, Ubuntu,
Centos, Heroku, AWS

LANGUAGES

English (fluent)

Spanish (native speaker)
